# Conference

## Audience, Goals, and Objectives

*The goal of this activity is to update the knowledge, skills, and attitudes of health providers who care for patients with HIV/AIDS. This activity is also designed for healthcare media, federal and state legislators, AIDS service organization officers, social workers, pharmacists, nurses, peer counselors, church leadership and corrections healthcare personnel. The objectives are to familiarize participants with the epidemiology of HIV in the United States, current guidelines and cutting edge clinical modalities for the management of HIV, current research encompassing drug abuse and its connection to the HIV epidemic, social and psychiatric concerns of the HIV-infected patient, policy initiatives, trends and political issues which impact all HIV-infected patients.*

### Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical

Education (ACCME) through the American Academy of Family Physicians. This educational design 1 activity is cosponsored by Minority Healthcare Communications and Nurse Practitioner Alternatives, Inc.

### Credit Designation Statement

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending. Application for Nursing ANCC approved contact hours has been filed through Nurse Practitioner Alternatives, Inc.

Determination of credit is pending.

### Disclosure Policy

In conformance with ACCME accepted standards of ethical behavior, NPAl will disclose in writing to participants at the time of presentation the existence of any significant financial or other relationships a faculty member or provider might have with the manufacturers of any commercial products or providers of any commercial services discussed. Any reference to unlabeled or unapproved uses of drugs or devices will also be identified. Every attempt will be made to provide accurate and unbiased information. Discussion or display of specific products does not imply their recommendation, or endorsing by MHCC, ANCC, or NPA, Inc.

### Statement of Need

Through needs assessment and surveys, literature searches, advisory board suggestions, and previous conference evaluations, NPAl and MHCC have determined a high level of interest and need for this information to address HIV/AIDS management and issues.

### Special Needs

NPAl and MHCC fully comply with the legal requirements of the Americans with Disabilities Act rules and regulations. **Please notify staff of any specific assistance that may be required three weeks prior to conference.**

### For Further Information

For registration and payment issues, please contact NPAl at 866-901-6267 or fax us at 410-772-7915. Visit the 2006 National Conference on Latinos and AIDS website at **www.minority-healthcare.com**

### **LIVING QUILT**

International AIDS Prevention Initiative will be offering their Living Quilt Program at this year's conference. Conference attendees will have the opportunity to create either a "Commemorative Quilt" to remember someone they have lost to AIDS, or a "Living Quilt" for themselves or someone they know who is living with HIV/AIDS.

Workshops will begin July 25th, 5:30 pm. and conference we will provide supplies. If you wish to use your own materials and trimming to make your Living Quilt more personal, you can bring a completed square or finish at the workshops at the conference.

For more information contact MHCC at [minority-healthcare.com](mailto:minority-healthcare.com) or International AIDS Prevention Initiative at: [IAPInitiative@aol.com](mailto:IAPInitiative@aol.com)

### **BROCHURE COVER ART**

Latina artist Soraida Martinez painted **Puerto Rican Cuatro Player** which appears on the cover. She is a fine artist and graphic designer of Puerto Rican heritage who is known as the creator of Verdadism. You can learn more about Soraida and see more of her art at [Soraida.com](http://Soraida.com).
